Dear Mr Kreizner,

Thank you very much for your letter of 29 March 1993 and the excerpt from your book 'The History and the Theory of Grand Tactics, Book 1, Volume 1'.

I have perused the penetration equations and other theoretical works detailed in your book and have found them to be quite illuminating. I have passed on the extract of your book to the Colonel Doctrine at Training Command for his consideration.

*Yours sincerely,
John Gray*
