

*The Chief of Staff of the German Army,
Lieutenant-General Helge Hansen
Der Inspekteur des Heeres*

Bonn, den 29 . März 1993

Mr. William E. M. Kreizner
P.O. Box 23441
Jacksonville, Florida 32241
U.S.A

Dear Mr. Kreizner,

thank you very much for having presented me with a personal copy of your book entitled "The History and the Theory of Grand Tactics".

Especially interesting to me are your extensive efforts to develop a historically and mathematically deduced "breakthrough theory". This is quite a novel and unusual approach in the further development of military leadership doctrine.

With many thanks again and with the best wishes for success in your further work I remain

Sincerely yours

A handwritten signature in dark ink, appearing to read "Helge Hansen".
