*Dear Mr Kreizner,*

I have received from you, Mr Kreizner, two very kind and interesting letters dated 7 October and 1 December 1994. I have also, in connection with the first letter, got book 1 of volume 1 of your gigantic work on "The History and the Theory of Grand Tactics".

First I will apologise for not having answered your letters and not even given my thanks for the very nice book.

I have read your book and I find it in many respects most interesting. I really hope that you will successfully continue your researches and add further volumes to your great work on Grand Tactics.

*Yours sincerely*  
*Åke Sgrén*

Lieutenant General Åke Sgrén  
Chief of the Swedish Army
