

BUCKINGHAM PALACE

January, 1997.

Dear Mr. Kreizner,

I am commanded by The Queen to thank you for your letter of 28th November enclosing the book on 'The History and Theory of Grand Tactics'. Her Majesty appreciated your thoughtfulness in sending this gift to her.

Thank you also for your letter addressed to my colleague, Sir Robert Fellowes. I am, however, returning the letters addressed to the New Zealand, Australian and Canadian Writers' Guilds and the British Library, as it must be for you to send these and not Buckingham Palace.

Thank you again for the book.

Yours sincerely,

(ROBIN JANVRIN)

Mr. William Kreizner
